- At least 1 years' experience cutting and styling hair including doing extensions and weaves.
- English/Spanish bi-lingual
- The right person will be teachable, hardworking and have compassion for people.
- Candidate that can bring existing clients is a plus.

**JOB DUTIES**

- During training, you will be an Independent Contractor working part time 2 days a week with the option to move to full time after being trained and qualified. You would then be scheduled to service our current client base as well as bring in your own existing or new clients.
- Candidate will apprentice in the art of hair replacement, learning about hair systems and the different attachment and styling methods as well as how to manage the hair replacement business.
- Perform client shampoos and scalp massages to clean remove excess oil, using liquid soap, rinses plus hot towel.
- Prepare hair systems including cleaning, conditioning, steaming and setup.
- Apply medication to & massages scalp to increase blood circulation, stimulate glandular activity and additionally promote growth of hair, using hands fingers or vibrating equipment.
- Once qualified, perform cut-ins and trims on client's systems.
- Some light cleanup and administrative duties.

### Comprehensive benefits program

- Salary: \$10.00 - \$15.00 per hour, depending upon experience, plus service commissions.
- Receive commissions on any hair replacement items you independently sell such as our hair pods, hair bangs, hair extensions and our hair extension kits.
- All supplies and equipment are provided.
- Even though you are an independent contractor, we will not charge any fees or rental for the space and equipment used.

### **OPPORTUNITY**

Are you enthusiastic, motivated and confident? Join our team of professionals and help us continue to be a leader in the industry while you grow and advance. Advancement is unlimited, including one day taking over primary responsibilities for part of the business.
